OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed April 13, 2007, to revive the above-identified application.

The petition is **DISMISSED**.

The application became abandoned for failure s to timely pay the issue fees and failure to submit formal drawings on or before February 15, 2007, as required by the Notice of Allowance and Fee(s) Due, mailed November 15, 2007, which set a statutory period for reply of three (3) months. Accordingly, the application became abandoned on February 16, 2007.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(II)(C) and (D). The instant petition lacks item(s) 1.

→ The issue fee has been received. However, there is no indication that corrected formal drawings as required by the Notice of Allowability of November 15, 2006 have been submitted. Accordingly, this application cannot be revived until corrected formal drawings have been submitted.

→ There is no indication that petitioner has submitted a Part B-Fee(s) Transmittal form (PTOL-85). Accordingly, if petitioner desires to have the information normally found thereon printed on the patent, the attached blank Fee(s) Transmittal form should be completed and returned to the Publishing Division along with the renewed petition.

→ Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.
